The Lodges

Our volunteers help residents at the Cottonwood, Connolly and Cypress Lodges gain skills, community experience, and confidence as they move along the road to mental health recovery.

Thank you Fraser Health

Community Participation Program

Our volunteers support Child Health Clinics, Flu Clinics, Healthy Babies programs, Youth Clinics and Breastfeeding Clinics. A total of 1,181 hours were donated by volunteers this year at 499 separate clinics.

Funded by Fraser Health

VIP/TTV: Supported Volunteering

Transitions Through Volunteering helps adults with mental illness make volunteering part of their mental health recovery. The Volunteer Integration Program helps people with developmental disabilities to volunteer.

Funded by Fraser Health & Community Living BC

CVC Flying Squad

The CVC Flying Squad grew to 281 members, who helped out at 92 events this year.

Thank you, Coast Capital, BC Gaming & United Way

Volunteer Festivals

Add 64 community organizations to hundreds of potential volunteers and shake. You've got the TriCities VolunteerFest (October 2011) and the New Westminster Festival of Volunteers (January 2012).

Thank you BC Gaming & City of New Westminster

AVRBC/CVC Speaker Series

If you liked the first year, you loved the second. CVC and the Administrators of Volunteer Resources BC launched another six workshops. From True Colors for Volunteer Management (Carol Dixon) to the Brains of Volunteers (Lillian Whitmore) we continued to bring new ways to think about volunteer engagement to Managers of Volunteers.

Thank you, United Way & BC Gaming

Volunteer Connections BLOG

Three volunteer bloggers joined us this year, interviewing organizations, talking to volunteers, investigating new trends in volunteerism, and adding a volunteer touch to stories of volunteerism.

Thank you, Natalie, Natalie & Vanessa!
